AGENDA ITEM 4

WORK SESSION ITEM       

**TO:** Mayor and City Council  
**FROM:** Chief of Police  
**SUBJECT:** MPACT Program Grant for Youth and Family Services

**RECOMMENDATION:**

It is recommended that the City Council adopt the attached resolutions which:

1. authorize the City Manager to execute an agreement with Alameda County's "Our Kids Project" and
2. appropriate the award of \$92,387 to fund the program.

**BACKGROUND:**

The Hayward Police Department has been awarded \$92,387 from the Alameda County "Our Kids Project" for the purpose of continuing the MPACT Program.

MPACT is a diversion program for high-risk youth who are affiliated with gangs, multiple-law violators, truants, and most likely headed for further contact with the juvenile justice system. This award-winning program has successfully diverted 95 youths in the past two years. The program which teaches the consequences of high-risk behavior, requires parent participation and community service, and includes prison, hospital emergency room, and Chabot College visits.

With existing Alameda County Partnership Grant funding expiring this fiscal year, Supervisor Gail Steel convinced the Our Kids Oversight Committee to fund this program in F.Y. 2003-04. The program will be fully funded with no financial impact on the City. Although this grant is only guaranteed for one year, it does keep the program going and keeps diverting Hayward youth from the juvenile justice system.
